Waste Reduction Tips

The 7 R's of Waste Reduction

- **Rethink** – if it is required and what it means for the environment
- **Refuse** – think before you buy, buy less and buy products that do the least harm
- **Reduce** – buy and shop less and with little to no packaging, borrow instead of buying
- **Reuse** – upcycle instead of throwing an item away
- **Repair** – fix items before disposing of them
- **Regift** – give the item to someone that will enjoy it instead of tossing it away
- **Recycle** – clean and sort items into the appropriate waste stream

Giveaway Days

- Saturday, April 20th, 2024
