

# East Street Reconstruction - UPDATE

Notice of Partial Lane Closures (Local Traffic Only)  
Updated: June 2, 2023

On **Monday, June 5, 2023**, East Street from Dundas Street East to Bridge Street East will continue to be partially closed. This partial road closure will carry on from the North side of Bridge Street East to Thomas Street East. This may result in short delays due to lane restrictions.

The construction area illustrated on the map will continue to provide access for local traffic. All through traffic is advised to use signed detour routes.

These partial road closures are necessary to facilitate the reconstruction of East Street. Emergency vehicles and residential traffic access within the closed areas will be under the direction of on-site construction staff.

Ongoing notices will be updated when road closings change throughout the reconstruction project.

If you have any questions or require further information, please contact Jeff Cuthill, Director of Capital Works, at 613-856-2247.
