

Town of Greater Napanee Council Highlights

Regular Meeting of Council for February 14, 2023

Recreation Master Plan

Council received and endorsed the Recreation Master Plan. The Plan was developed throughout 2022 using community input and consultation, and includes 89 specific recommendations to support key themes around investing in sustainable and accessible recreation. Endorsement of the Plan does not mean each of the recommendations will automatically happen, but is meant to reflect the needs and aspirations of our residents and help to guide Council's decision making. The new Recreation Advisory Committee will be tasked with using the Plan to make specific recommendations to Council on which initiatives should be prioritized and how they can best be implemented.

Advisory Committee Applications

The Town is seeking volunteers to sit on various advisory committees. A list of committees and a committee application form are available on our website.

National Wear Red Day

Council proclaimed February 13, 2023, as National Wear Red Day in Greater Napanee.

Annual Infrastructure Reports

Council received the 2022 Annual Drinking Water & Wastewater Reports and a Summary of the 2022/2023 Compliance Inspections for both the A.L. Dafoe and Sandhurst Shores Drinking Water Systems.

East Street Reconstruction

The Town of Greater Napanee has been planning for the reconstruction of East Street from Dundas Street to the North terminus with engineering services being provided by Jewell Engineering.

The scope of work includes the replacement and upgrading of water, sanitary and storm sewer mains and services. The project will also include upgrades to drainage, new sidewalks, curbs, gutters, and asphalt surfaces.
