Council proclaimed the month of June 2022 as <u>Deafblind Awareness Month</u> in the Town of Greater Napanee.

available on the May 24 Council agenda.

Council amended the Town's Parking By-law (No. 2014-0032) to establish <u>temporary trailer</u> <u>encroachment permits.</u> Due to accessibility considerations and the need to maintain pedestrian access over the sidewalk, permit applications are expected to be infrequent. Most recreational vehicle owners will have their concerns resolved through the new ability to keep RVs in a driveway from April through October.

This permit does allow RV owners at least one additional meter of space for temporary storage, and potentially more depending on the width and location of any pedestrian sidewalk in the right-of-way. Staff have set a rate of \$15 per 48-hour permit period as a starting point.

# **Upcoming Projects:**

Council received the concept drawings for Market Square Town Hall and has authorized staff to continue a partnership discussion with Lennox and Addington County regarding the Market Square as a potential location for a Branch Library. Staff will continue to explore the best possible and functional use of the Town Hall as well as financing and partnership opportunities for its Market Square municipally owned properties.
