Council proclaimed June 2023 as Seniors Month in the Town of Greater Napanee.

VIA Rail Train Station Agreement

Council received a report on the Napanee Train Station and confirmed the Town's commitment to see the building continue to be used as a passenger stop for VIA Rail and to repair and revitalize the building. Council also directed staff to seek proposals for ways to increase the usage of this building, while still maintaining the lobby's core function as a stop for train passengers.

Community Improvement Plan

The 2024 budget discussions will also include consideration of the Draft Community Improvement Plan (CIP) that has previously been presented to Council. A CIP is a planning tool that municipalities can use to support new development and revitalization of priority areas through targeted grants and property tax forgiveness. Prior to implementation of any CIP, the Town would need to hold public consultation and adopt the Plan through a by-law.

Ad Hoc Trails Committee

Council approved the mandate for the ad hoc trails committee, who have been tasked with continuing the conversations that started at the Special Meeting on May 11, 2023, as well as providing advice on the development of an urban trail loop.
