

Town of Greater Napanee Council Highlights

Regular Session of Council for July 14, 2026

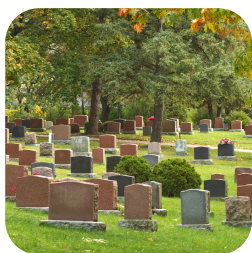

Update to Encampment Educational Process

Council directed staff to draft an update to Schedule B of the Parks and Public Spaces By-law to include a process to add an annual update to the Town's educational process in the method outlined in the report. Council also directed that the Town wait until the official review process to make any updates to the Town's educational materials, with the exception of the minor revision to extend the sensitive use area mapping to cover Lions Park.

Council Renumeration Review

Council directed that no changes be made to the current Council compensation by-law at this time. It was recommended that the Council compensation review be included as a discussion item in the 2027 budget for the next term of Council.

Request to Transfer St. Alban's Cemetery

Council approved the request in principle to transfer St. Alban's Cemetery to the Town. Staff were authorized to take steps to facilitate the transfer of the cemetery license and the cemetery lands to the Town, with the land acquisition to be at no cost to the Town.

Development Charges Background Study & By-Law Update Approval

Council approved the Development Charges Update Study dated May 4, 2026, including the proposed capital project list, subject to annual review through the budget process. Following the public consultation process, Council determined that no changes to the study were required and that no additional public meeting was necessary under the Development Charges Act. Council also approved an amending Development Charges By-Law to update the Town's existing by-law.

Waste Diversion Advisory Committee Recycling Bin Report

Council authorized the in-kind donation of approximately 100 recycling bins to the Waste Diversion Advisory Committee for distribution to residents, along with recycling information, as part of the Committee's mandate to help increase waste diversion rates in the community.
