

Presentation of 2024 Draft Audited Financial Statements

Council received a presentation from KPMG regarding the the Town's Draft Audited Financial Statements for the year ended December 31, 2024. Council approved the draft consolidated financial statements.

Draft Solid Waste By-Law

Council received a report on the Draft Solid Waste By-Law. Council directed staff to bring forward the draft by-law as presented to the next meeting for adoption.

12 Market Square Land Sale

Council received a report on the 12 Market Square Land Sale. Council passed a by-law to authorize the sale of 12 Market Square for \$380,000 plus HST. Council also waived the Town's conditions for the sale of the property.

Investment Attraction Strategy

Council received and endorsed a report on an Investment Attraction Strategy. The Strategy identifies key levers the Town has control of to market the Town as an industry-supportive and growth-ready municipality.

Advisory Committee Mandates During Election Campaign Period

Council received a report on Advisory Committee Mandates During the Election Campaign Period. Council directed staff to bring forward an amendment to the Advisory Committees By-law to address the perceived use of committee meetings as an election campaigning platform.

Staff were also asked to request a detailed 2026 work plan from all advisory committees by April 15, 2026.

Planning Application Fee Review

Council received a report on a Planning Application Fee Review. Council directed staff to prepare a By-law to increase planning application fees in accordance with those presented within the report and to issue public notice of the proposed fee changes in accordance with the Town's Public Notice Policy.

Annual Drinking Water, Wastewater Treatment, Wastewater Collection, and Stormwater Management Reports

Council received the following 2025 annual reports:

- A.L. Dafoe (Napanee) Drinking Water System
 - Sandhurst Shores Drinking Water System
 - North Fredericksburgh Community Centre Drinking Water System
 - Napanee Water Pollution Control Plant
 - Napanee Wastewater Collection System
 - Napanee Stormwater Management System
-
