Proclamation - Heritage Week

Council proclaimed February 19-25, 2024, as Heritage Week in the Town of Greater Napanee.

Parkland Dedication Draft By-Law

Council considered a draft by-law presented by staff that would provide the municipality with the ability to require conveyance of parkland or monies in lieu of parkland as a condition of new development approvals. Council directed staff to make minor amendments to the by-law to focus the use of funds collected on existing park infrastructure/maintenance. It is expected that this by-law would come into effect in alignment with the adoption of the updated Official Plan that is anticipated for Q4 2024.

Updated Proposed Amendments to Flag and Proclamation Policies

Council received a report for information on the Proposed Amendments to the Flag and Proclamation Policies. Council directed staff to bring forward a final draft of these policies to the February 27th meeting which included support for option two in the report, and amendments to include the Fire Hall and 99 Advance Avenue as designated flag pole locations for the purpose of half-masting.
